## **Say ‘YES!’ To Keeping Children Safe**

### **Summary / Purpose**

As an Indian child-centered community development organisation whose work is underpinned by the United Nations Convention on the Rights of the Child (UNCRC), Plan is committed to promoting the rights of children including their right to be protected from harmful influences, abuse and exploitation. Plan takes active measures to ensure children’s rights to protection are fully realized.

Plan acknowledges its expectation that its employees and others who work with Plan have children’s best interests at the heart of their involvement with Plan.

This child Protection Policy is Plan’s statement of intent that demonstrates our commitment to safeguarding children from harm and makes clear to all in the organisation and who come into contact with us what is required in relation to the protection of children, and that child abuse in any form is unacceptable to Plan.

### **Plan’s vision for child protection.**

#### **Vision**

We aim to create ‘child safe’ environments, both internally and externally, where children are respected, protected, empowered and active in their own protection, and where Staff are skilled, confident, competent and well supported in meeting their protection responsibilities.
